

Help your employees choose the right dental plan

Dental Plan Selection and Cost Estimator

Just a few clicks
of the mouse
gets it done!

Now you can give your employees an easy way to choose the right dental coverage for themselves and their families.

Tell them to visit the online Dental Plan Selection and Cost Estimator from Aetna. There they can answer a few simple questions, click "Calculate," and see how each dental benefits and insurance plan choice affects their budgets.

They can find the right plan with the coverage they want at a price that's right in minutes!

Here's how it works:

- **It's personalized.** The Dental Plan Selection and Cost Estimator will reflect your company's Aetna Dental® benefits offerings.
 - **It's inclusive.** The tool can include up to five dental plan choices. For some plan sponsors, the employee can input one plan from another carrier.
 - **It's smart.** The tool reflects high-level in-network plan details. Copayment. Coinsurance. Deductible and more.
- **It's easy.** You'll have a Web address that's specific to your company. That means you can personally direct employees to this site, or you can offer access through your internal benefits website. For some existing customers, employees may access the tool by logging on to our secure member website. Whichever way you choose, your employees will enjoy how easy it is to find the right plan.

Our Dental Plan Selection and Cost Estimator can help you:

- Educate your employees to make them better dental care consumers
- Present a more broad-based dental care education and communication campaign during open enrollment
- Slow the rising costs of dental care by encouraging employees to select the most effective plans to meet their needs
- Build employee satisfaction with their dental benefits

It can help your employees:

- Enroll in the plan that best meets their needs
- Understand the actual costs of dental care services
- Compare various dental care usage scenarios to understand the costs associated with each
- Learn to use the plan wisely
- Gain greater value from their dental benefits

Put the power in their hands

Make open enrollment easier. Our new Dental Plan Selection and Cost Estimator can give your employees the important information they need to make the right plan choices.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies. The Aetna companies that offer, underwrite or administer benefits and insurance coverage include Aetna Health Inc., Aetna Health of California Inc., Aetna Health of the Carolinas Inc., Aetna Dental Inc., Aetna Dental of California Inc. and Aetna Life Insurance Company (Aetna). Each insurer has sole financial responsibility for its own products.

The Dental Plan Selection & Cost Estimator tool compares and contrasts dental plan offerings based on expected out-of-pocket expenses. Actual costs for dental services may vary from the estimated costs presented by this tool. The tool reflects general plan provisions and does not replace or modify plan documents or other member material. If there is a conflict between your plan documents and the information provided by this tool, your plan documents will govern.
